A : Yeah. I think it's innovative to use the mm the wheel because I think no one else has. Has it ?

B : Yeah.

D : Yeah that's why Yeah that's why I think we have to keep that if it's possible.

A : Yeah. I think it's it makes it both easy and both innos innovative. So I think it's a good aspect and it should be kept.

C : Mm-hmm. ⋮

D : Innovative. Mm. ⋮
